The terms and conditions of any eligible surety shall be approved by the Board of Directors.

2. Safekeeping and Collateralization

Eligible securities used for collateralizing deposits shall be held by the depository bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure Corporation deposits together with agreed upon interest, if any and any costs or expenses arising out of the collection of such deposits upon default. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events, which will enable the Corporation to exercise its rights against the pledged securities. The Corporation shall have the right to dispose of its property for any valid corporate purpose.

B. Custody and Control. The custody and control of Corporation property, pending its disposition, and the disposal of such property, shall be performed by the Corporation or by the Commissioner of General Services when so authorized under this Section 3.

C. Method of Disposition. Unless otherwise permitted, the Corporation shall dispose of property for not less than its fair market value by sale, exchange, or transfer, for cash, credit, or other property, with or without warranty, and upon such other terms and conditions as the Corporation and/or contracting officer deems proper. The Corporation may execute such documents for the transfer of title or other interest in property and take such other action as it deems necessary or proper to dispose of such property under the provisions of this section. Provided, however, except in compliance with all applicable law, no disposition of real property, any interest in real property, or any other property which because of its unique nature is not subject to fair market pricing shall be made unless an appraisal of the value of such property has been made by an independent appraiser and included in the record of the transaction.

(i) Except as permitted by all applicable law, all disposals or contracts for disposal of property made or authorized by the Corporation shall be made after publicly advertising for bids except as provided in subsection (iii) of this Section F.

(ii) Whenever public advertising for bids is required under subsection (i) of this Section F:

(C) the award shall be made with reasonable promptness by notice to the responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the Corporation, price and other factors considered; provided, that all bids may be rejected at the Corporations discretion.

(iii) Disposals and contracts for disposal of property may be negotiated or made by public auction without regard to subsections (i) and (ii) of this Section F but subject to obtaining such competition as is feasible under the circumstances, if:

(A) the personal property involved is of a nature and quantity which, if disposed of under subsections (i) and (ii) of this Section F, would adversely affect the state or local market for such property, and the estimated fair market value of such property and other satisfactory terms of disposal can be obtained by negotiation;

(B) the fair market value of the property does not exceed fifteen thousand dollars (\$15,000);

(C) bid prices after advertising therefor are not reasonable, either as to all or some part of the property, or have not been independently arrived at in open competition;

(D) the disposal will be to the state or any political subdivision or public benefit corporation, and the estimated fair market value of the property and other satisfactory terms of disposal are obtained by negotiation;

(E) under those circumstances permitted by subsection G of this Section 3; or

(F) such action is otherwise authorized by law.

(iv) (A) An explanatory statement shall be prepared of the circumstances of each disposal by negotiation of:

(1) any personal property which has an estimated fair market value in excess of fifteen thousand dollars (\$15,000);

(2) any real property that has an estimated fair market value in excess of one hundred thousand dollars (\$100,000), except that any real property disposed of by lease or exchange shall only be subject to clauses (3) and (4) of this subparagraph;

(3) any real property disposed of by lease, if the estimated annual rent over the term of the lease is in excess of fifteen thousand dollars (\$15,000); or

(4) any real property or real and related personal property disposed of by exchange, regardless of value, or any property any part of the consideration for which is real property.

(B) Each such statement shall be transmitted to the persons entitled to receive copies of the report required under Section 2(B) above not less than ninety (90) days in advance of such disposal, and a copy thereof shall be preserved in the files of the Corporation.

G. Disposal of property for less than fair market value.

(i) No asset owned, leased or otherwise in the control of the Corporation may be sold, leased, or otherwise alienated for less than its fair market value except if:

(A) the transferee is a government or other public entity, and the terms and conditions of the transfer require that the ownership and use of the asset will remain with the government or any other public entity;

(B) the purpose of the transfer is within the purpose, mission or governing statute of the Corporation; or

(C) in the event the Corporation seeks to transfer an asset for less than its fair market value to other than a governmental entity, which disposal would not be consistent with the Corporations mission, purpose or governing statutes, the Corporation shall provide written notification thereof to the Governor, the Speaker of the Assembly, and the Temporary President of the Senate, and such proposed transfer shall be subject to denial by the Governor, the Senate, or the Assembly in accordance with the PAL.

(ii) In the event a below fair market value asset transfer is proposed, the following information must be provided to the Corporation's board of directors and the public:

- (A) a full description of the asset;
- (B) an appraisal of the fair market value of the asset and any other information establishing the fair market value sought by the board;
- (C) a description of the purpose of the transfer, and a reasonable statement of the kind and amount of the benefit to the public resulting from the transfer, including, but not limited to, the kind, number, location, wages or salaries of jobs created or preserved as required by the transfer, the benefits, if any, to the communities in which the asset is situated as are required by the transfer;
- (D) a statement of the value to be received compared to the fair market value;
- (E) the names of any private parties participating in the transfer, and if different than the statement required by subsection (D) of this Section G, a statement of the value to the private party; and
- (F) the names of other private parties who have made an offer for such asset, the value offered, and the purpose for which the asset was sought to be used.

(iii) The Board of Directors of the Corporation must make a written determination that there is no reasonable alternative to the proposed below-market transfer that would achieve the same purpose of such transfer.

The designated Contracting Officer for the Corporation is the Chief Executive Officer.

The guidelines are subject to modification and amendment at the discretion of the Corporation board and shall be filed annually with all local and state agencies as required under all applicable law.

Approved and adopted this 9th day of May, 2016.
